

AVANT[®]

ONE MACHINE - OVER 200 ATTACHMENTS

**The world's most versatile
compact loaders for landscaping.**

AVANT – efficient and versatile loader for landscaping.

The Avant loader delivers power and performance in a compact size making it the ideal landscaping machine. The versatility, robustness and agility make it ideal for use on any terrain. With over 20 loader models and over 200 attachments to choose from, the Avant loader is a versatile machine that can be used for a variety of landscaping and groundcare applications.

1. VERSATILE

Perform multiple jobs with the same machine, with a simple change of attachment. Multiple cab and tyre options available.

2. COMPACT

Compact and agile for moving around sites and hard to access areas. Easily transported on a trailer.

3. USER-FRIENDLY

Easy to operate thanks to basic controls and a unique hydraulic connection system. 4WD allows access to difficult terrain.

4. TELESCOPIC BOOM

Provides a greater lifting height and outreach than a similar sized skid steer.

5. QUALITY

Manufactured in Finland to the highest standard using only the highest quality materials, including Kubota engines.

6. ARTICULATED CHASSIS

The articulating chassis allows the loader to make tight turns without causing damage to sensitive surfaces.

7. STABILITY

The rigid articulation joint makes it incredibly stable, even on demanding terrain.

8. OPERATOR COMFORT

Avant loaders are built with operator comfort in mind. They are packed with safety and ergonomic features.

9. RANGE

With an extensive product range, encompassing 20 models and over 200 attachments, your landscaping needs are covered.

10. BACK-UP

With representation in Australia for over 25 years, and thousands of locally stocked parts, you can be assured of minimal down-time.

Attachments – change the attachment to suit the job.

Avant has a wide range of landscaping specific attachments for Avant loaders that will improve efficiency on site. The range includes attachments for materials handling, excavating, levelling, fencing, and paving – even maintenance jobs like lawn mowing and sweeping are easy with an Avant loader.

Loaders.

The Avant loader is a highly manoeuvrable, versatile all-round machine that is ideal for landscaping. The articulated design and compact dimensions of an Avant loader means it can work on any site, even in tight spaces and on uneven terrain.
