

A man is driving a bright green compact loader on a gravel path in a nursery. The loader is carrying a large black pot containing a tree, which is resting on a wooden pallet. The background is filled with various tropical plants and trees under a clear blue sky.

AVANT

ONE MACHINE - OVER 200 ATTACHMENTS

THE WORLD'S MOST VERSATILE
COMPACT LOADERS FOR NURSERIES.

AVANT - EFFICIENT AND VERSATILE LOADERS FOR NURSERIES.

The Avant loader delivers power and performance in a compact size making it the ideal machine for nurseries. With over 200 attachments available, the Avant loader can load the hopper, lift and move pallets of plants or trim hedges - we have an attachment to suit every job.

1. VERSATILE

Perform multiple jobs with the same machine with a simple change of attachment. Multiple cab and tyre options available.

2. COMPACT

Compact and agile for moving around sites and down narrow rows. Easily transported on a trailer.

3. USER-FRIENDLY

Easy to operate thanks to basic controls and a unique hydraulic multi-connector system. 4WD allows access to difficult terrain.

4. TELESCOPIC BOOM

Provides a greater lifting height and outreach than a similar sized skid steer. Easily load a hopper and truck.

5. QUALITY

Manufactured in Finland to the highest standard using only quality components, including Kubota and Kohler engines.

6. ARTICULATED CHASSIS

The articulating chassis allows the loader to make tight turns without causing damage to sensitive surfaces.

7. STABILITY

The rigid articulation joint makes it incredibly stable, even on demanding terrain.

8. OPERATOR COMFORT

Avant loaders are built with operator comfort in mind. They are packed with safety and ergonomic features.

9. RANGE

With an extensive product range, encompassing 20 models and over 200 attachments, your jobs are covered.

10. BACK-UP

With representation in Australia for over 30 years, and thousands of locally stocked parts, you can be assured of minimal down-time.

ATTACHMENTS – CHANGE THE ATTACHMENT TO SUIT THE JOB.

Avant has a wide range of nursery specific attachments for Avant loaders that will improve efficiency on site. Choose the right tools from over 200 attachments including pallet forks, pot grab, and various buckets.

LOADERS.

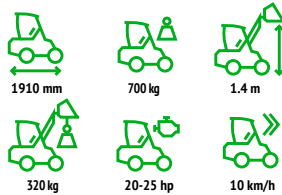

The Avant loader is a highly manoeuvrable, versatile all-round machine that is ideal for nurseries. The articulated design and compact dimensions of an Avant loader means it can work on any site, even in tight spaces and on uneven terrain.
