TOP 10 REASONS TO INVEST IN AN

AVANT[®] LOADER

01

VERSATILE

Avant Loaders are incredibly versatile machines, with the ability to perform multiple tasks with the same machine

02

COMPACT

The Avant is compact enough to manoeuvre around tight sights and down narrow rows

03

USER-FRIENDLY

Avant Loaders are very easy to operate thanks to basic controls and unique hydraulic connection system

04

TELESCOPIC BOOM

The Telescopic Boom allows for greater lifting height and outreach than a similar sized conventional or skid-steer loader

05

QUALITY

Avant Loaders are manufactured in Finland to the highest standard using only the best materials, including Kubota Engines

06

ARTICULATED CHASSIS

The Avants articulating chassis allows the loader to make tight turns without causing any damage to sensitive surfaces

07

STABILITY

The rigid articulation joint on the Avant makes it incredibly stable, even on demanding terrain

08

OPERATOR COMFORT

Avant Loaders are very easy to operate thanks to basic controls and unique hydraulic connection system

09

RANGE

With an extensive product range, encompassing 10 models and over 200 attachments, your needs are covered

10

BACK-UP

With representation in Australia for 25 years, and thousands of locally stocked parts, you can be assured of minimal down-time

ATTACHMENTS

Avant Equipment stocks a wide range of Nursery Specific Attachments for Avant Loaders including Pallet Forks, Pot Grabs, Buckets and much more. We also source and manufacture custom attachments. Whatever the application, Avant has the Attachment.

AVANT[®] NURSERYPRO
